

Important Information for Certificate  
If the OFA report contains a "clear" or "satisfactory"  
report, please attach the report to this certificate report, and attach  
a copy of the report to the registration papers and the puppy  
papers.

Important Comparison Between OFA & FCI Hip Schemes  
The FCI uses an unusual reporting scheme where hip scheme is A  
through Z with each letter grade split into 2 brackets.
